## **Report of the Directors of the Corporate Trustee Year to 31 August 2019**

### **Introduction**

The Directors of the Corporate Trustee (hereafter referred to as the Trustees) present their statutory report together with the accounts of the Westminster Cathedral Choir School (the charity or School) for the year ended 31 August 2019.

The accounts have been prepared in accordance with the accounting policies set out on pages 19 to 22 of the attached accounts and comply with the charity's trust deed, applicable laws and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### **Structure, governance and management**

#### ***Constitution***

Westminster Cathedral Choir School is governed by a trust deed dated 8 July 1997 and is registered with the Charity Commission, Charity Registration No 1063761.

#### ***Status***

Westminster Cathedral Choir School (WCCS) was founded by Cardinal Herbert Vaughan in 1902 to provide boarding Choristers and Exhibitioners to sing the daily capitular liturgy in the then new Cathedral. In 1976 day boys were introduced and in 2017 a Pre Prep was added. Current numbers stand at 246 boys, aged 4-13. The School is divided into nine year groups (National Curriculum Years Reception to Year 8). There are approximately 30 boys in each year group.

WCCS is situated within the precincts of Westminster Cathedral and is Roman Catholic by foundation. The Head Master is a member of the Incorporated Association of Preparatory Schools (IAPS), the Catholic Independent Schools' Conference (CISC) and the Choir Schools' Association (CSA).

#### ***Organisation***

Ultimate responsibility for the charity lies with the Directors of Westminster Roman Catholic Diocese Trustee (WRCDT) (the Trustees).

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### Structure, governance and management (continued)

#### *Trustees and Governors*

The Trustees i.e. the Directors of the Corporate Trustee are appointed by the Archbishop of Westminster.

The Trustees who have been in office since 1 September 2018 are as follows:

	<b>Appointed/resigned</b>
His Eminence Cardinal V Nichols	
Rt Rev J Sherrington	
Rt Rev N Hudson	
Rt Rev P McAleenan	
Rt Rev J Wilson	Resigned 24 July 2019
Rt Rev Mgr M Hayes	
Rt Rev Mgr J O'Boyle	
Lord D Brennan QC	Resigned 12 December 2018
Miss L Ferrar	Resigned 31 December 2019
Rt Hon R Kelly	
Mr C Kemball	
Mr A Ndoca	
Dame C Bowe	Appointed 5 June 2019
Mr K Ingram	Appointed 11 September 2019
Mr E Craston	Appointed 23 April 2020

On agreeing to become a Director of the Corporate Trustee, the Trustees are thoroughly briefed by their co-Trustees on the history of the charity, the day-to-day management, the responsibilities of the Trustees, the current objectives and future plans. The Trustees are also encouraged to attend any courses which they feel are relevant to the development of their role and to keep up-to-date on any changes in legislation.

The Trustees are ultimately responsible for the policies, activities and assets of the charity. The Archbishop appoints a Chairman of the Board of Governors who appoints other governors for a fixed term in consultation with the Archbishop. The Governors work with the Trustees in determining the general direction of the School and operate within powers set out in an Instrument of Government. They meet during the year to review the developments with regard to the charity, its activities and make any important decisions. When necessary, the Trustees and/or Governors seek advice and support from the charity's professional advisers including solicitors and accountants. The Bursar undertakes the day to day management of the charity's activities, the implementation of policies, administers payments and keeps the books and records of the charity.

The names of the Governors are given on page 1.

At their meetings the Governors review the latest management accounts including budget forecasts.

**Structure, governance and management (continued)**

***Trustees' and Governors' expenses***

No Trustee or Governor received any remuneration or expenses from the charity in connection with his/her duties as a Trustee or Governor during the year. No Trustee or Governor had any beneficial interest in any contract with the charity.

***Responsibilities of the Trustees***

The Trustees are responsible for preparing the Annual Report and Accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these accounts, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102);
- ◆ make judgements and estimates that are reasonable and prudent;
- ◆ state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- ◆ prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

***Key management personnel***

The Trustees and Governors consider that they, together with the Senior Management Team (SMT), comprise the key management of the charity in charge of directing and controlling, running and operating the School.

**Structure, governance and management** (continued)

***Key management personnel*** (continued)

As noted above, neither the Trustees nor the Governors receive any remuneration in respect to their services. The Governors meet at least once a term and there is regular formal and informal communication between the Governors, the Trustees and members of the SMT.

Day to day management of the School is the responsibility of the Senior Management Team. This consists of the Head Master, Deputy Head Pastoral, Head of Boarding, Director of Studies, Head of Pre-Prep, Director of Admissions and Bursar. The SMT meets weekly to discuss any operational, safeguarding or staff matters.

The remuneration of members of the SMT is reviewed annually by the Governors' Remuneration Committee. This Committee considers market pay levels (using external survey data where available), individual performance over the year and any changes in responsibilities. Those members of the SMT that also teach will have a portion of their salary determined by the main teaching pay scale.

***Risk management***

The Trustees delegate risk management to the School's Governing Body – principally through its Pastoral and Finance Committees, which meet termly. The School is also represented at the Health, Safety and Fire Committee of the Westminster Roman Catholic Diocesan Trust. Risks are identified and assessed, and controls established throughout the year.

The key controls used by the School include:

- ◆ Formal agendas for all committee meetings
- ◆ Strategic planning, budgeting and management accounting
- ◆ Established organisational structure and lines of reporting
- ◆ Formal written policies, including safeguarding and child protection
- ◆ Clear authorisation and approval level
- ◆ Maintenance of a risk register

Through the risk management processes established for the School, the Governors are satisfied that the major risks identified have been mitigated. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

### Structure, governance and management (continued)

#### **Principal risks and uncertainties**

The principal risks and uncertainties facing the charity are detailed in a risk register. Other than the risks associated with the Covid-19 pandemic which are described later in this report, the principal risks and the strategies applied by the Trustees and Governors for managing these are outlined below.

- ◆ **Opening of a Pre-Prep:** The charity opened a Pre-Prep for boys aged 4 to 8 in September 2017. This presents an operational risk as the School has not previously offered education to boys below Year 3, or 7 years old. There is also financial risk as substantial rent payments must be met to occupy the pre-prep building. A detailed ten-year business plan and cash flow modelling for both the Prep and Pre-Prep schools has been completed. Financial performance against this model is, and will continue to be, closely monitored by the Finance Committee. There is total confidence in the charity's ability to meet this business plan and cash flow remains strong.
  
- ◆ **Safeguarding:** Compliance with safeguarding regulation is a key management concern because of the associated reputational risk for non-compliance. The School has a Designated Safeguarding Lead and a Safeguarding Governor who is responsible for ensuring the policies and procedures comply with the latest Independent Schools Inspectorate (ISI) regulations and *Keeping Children Safe in Education*, and are implemented in all aspects of the School's operation. Advice is sought from Westminster Local Authority Designated Officer (LADO) as appropriate. Each member of staff receives safeguarding training at induction and this is repeated annually at staff INSET training. The Senior Management Team receives additional training on safer recruitment. The Deputy Head (Pastoral) and Designated Safeguarding Lead reports any pastoral or safeguarding matters to the SMT weekly, and to the Governors' Pastoral Committee and full Governors' meetings termly.
  
- ◆ **Fall in pupil numbers:** A reduction in pupil numbers would result in a fall in income which, over the long term, could affect the overall financial security of the School. At present this is considered a low risk as the School benefits from a strong market position, and demand for places is high. The School carefully monitors Open Morning attendances and registration numbers to ensure any deterioration of this position is quickly identified and addressed. The introduction of the Pre-Prep substantially reduces the School's reliance on a small, and dwindling, number of Pre-Prep feeder schools, and affords the School greater control of its pupil intake.

#### **Connected charity**

The Trustees are also responsible for Westminster Roman Catholic Diocesan Trust, a registered charity, Charity Registration Number 233699.

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### **Objectives and activities**

The general aims of the charity are the advancement of the Roman Catholic Religion and the advancement of education in the Roman Catholic tradition. The charity aims to train boys in church choral music through the operation of Westminster Cathedral Choir School.

In planning the activities of the charity for the year, the Trustees and Governors have considered the guidance on public benefit issued by the Charity Commission.

### **Achievements and performance**

#### ***Pupil numbers***

At the start of the academic year there were 229 boys in the School (2017/18: 196) of whom 24 were choristers (2017/18: 25) and 209 day boys (2017/18: 171). The increase in pupil numbers was due to the addition of another year into the newly opened Pre-Prep.

#### ***Fees***

Termly fees for 2018/19 were £5,450 for Reception boys (2017/18: £5,450), £6,411 for day boys (2017/18: £6,194) and £3,362 for choristers (2017/18: £3,249). The Governors' Finance Committees sets the level of fees each year taking into consideration the cost of providing high standards of teaching, learning and pastoral care, and of maintaining the fabric of the building.

#### ***Chorister bursaries***

All twenty four boarding choristers received a substantial reduction against boarding fees. Nine boarding choristers received additional financial support from the Choir Schools' Association and a further bursary from the WCCS Chorister Hardship Fund.

The School endeavors to ensure that any boy who has the musical ability to benefit from the School's education will receive the financial support he needs.

#### ***Academic life***

The School continued to develop its 'liberal arts' curriculum and achieved outstanding academic results. The curriculum is structured so that boys experience knowledge as an integrated whole, rather than as competing specialisms. Boys learn through making connections, so topics are planned to complement other curriculum areas. Each year takes a historical period as its centre – ancient, medieval or modern – and this guides topic choices. Over the course of their time at the School, boys will study the cycle of human civilisation three times.

Boys achieve a high level of cultural literacy for their age. At a level accessible to each Year Group, boys encounter 'the best that has been known and said'. In English, they learn to memorise great poems; in science, they study the great scientists and inventors; in art and music they study the masters.

Teaching fosters boys' intellectual life by using resources that have been carefully designed by the School, and educational visits strengthen the boys' interest in the topics they have studied in class, as well as widening their cultural horizon. Boys also learn about how British values have emerged over the centuries.

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### **Achievements and performance** (continued)

#### ***Academic life*** (continued)

The School remains a 13+ Common Entrance School preparing boys for a wide range of senior schools.

In 2019 boys went on to the following schools:

- Ampleforth College (Basil Hume Scholarship)
- City of London School x 5
- Dulwich College x 2
- Eton College x 5
- Harrow School
- King's School, Canterbury
- London Oratory School
- Merchant Taylors School
- Radley College x 3 (2 Music Scholarships)
- St Paul's School
- University College School, Hampstead
- Westminster School x 3
- Winchester College x 5 (1 Music Scholarship & 1 Music Exhibition)

#### ***Music***

In addition to singing the daily Capitular Liturgy in the Cathedral, it was another busy year for the Cathedral Choir. The Choir sang Evensong with the choir of Westminster Abbey in the Abbey for the Feast of St Edward the Confessor and Vespers in St Paul's Cathedral during the Week of Prayer for Christian Unity. The choristers also sang at the Festival of St Cecilia in Westminster Abbey and at the Christmas Celebration in Westminster Cathedral.

#### ***Changes to chorister boarding arrangements***

In March 2019 the Cardinal Archbishop of Westminster, Vincent Nichols, approved changes to the boarding arrangements recommended by the Governing Body. From September 2019 choristers board at the School during the week and go home to their families from Friday afternoon until Sunday morning. Both the Cardinal and the Governing Body expressed their continued and wholehearted support for maintaining boarding choristers at the School; this modest change being approved to make boarding more attractive to prospective parents. Early indications have been excellent, with a substantial rise in enquiries for chorister places.

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### **Achievements and performance** (continued)

#### ***The School and the Local Community***

The School raised funds for its local charity for young homeless people, the Cardinal Hume Centre, and raised £50,000 for Eyehope, a charity founded by a team of Ophthalmologic Consultants at nearby St Thomas's Hospital.

The Gallery Choir sung at St Mary's Catholic Church Chelsea and also at Christmas Carols at the Cardinal Hume Centre for the homeless.

The School also led a chorister outreach programme, working with maintained sector schools in the Diocese of Westminster, culminating in a summer concert in Westminster Cathedral.

### **Financial review**

#### ***Financial position***

The charity had income during the year of £4,550,356 (2018 - £3,812,980). Income from tuition fees and similar charges, net of bursaries, totalled £4,365,055 (2018 - £3,631,573). Donations and grants during the year amounted to £185,301 (2018 - £181,407). Included within this total was £90,000 (2018 - £90,000) received by way of a grant from the Westminster Cathedral Choir School Fund (Registered Charity No. 276878).

Total expenditure amounted to £4,464,111 (2018 - £4,083,808) with staff costs, rent for the Pre-Prep building and premises expenditure accounting for a significant proportion of this total. The accounts incorporate expenditure on refurbishment of the facilities and buildings to improve the quality of education provided to the boys.

Before accounting for the accrued rent in the year of £113,390 (2018 - £362,500) that arises as a result of the need to recognise rent on a straight line basis over the period of the lease, the charity had a surplus of £199,635 (2018 - £91,672). At 31 August 2019, the charity had total net funds of £1,500,649 (2018 - £1,414,404).

This includes restricted funds at 31 August 2019 of £66,312 (2018 - £68,627), principally being monies to be applied towards meeting the fees of those choristers who apply for a bursary.

#### ***Reserves policy***

The Trustees and Governors have examined the requirement for free reserves i.e. those unrestricted funds not invested in tangible fixed assets, designated or otherwise committed. The figure for free reserves is distorted by the amounts held in respect to fee deposits (most of which will not be repayable for several years), an accrual for rent that arises from the requirement to account for payments under the lease on a straight line basis instead of when payable and by long term loan finance provided by Westminster Cathedral Choir School Fund to enable the School to undertake refurbishment projects. Therefore, the nature of the charity's activities is such that the key performance indicator is cash flow rather than the level of free reserves. Cash flow will vary over the course of each term, with high levels of cash being held at the start of each term and then being used over the course of the term to meet expenditure on staff, premises and the operation of the School.

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### **Financial review** (continued)

#### ***Reserves policy*** (continued)

The Trustees and Governors are of the opinion that at all times the charity should have sufficient cash flow to enable it to meet its costs, that the cash flow should be sufficient to enable the School to continue to invest in the premises, facilities and equipment, to provide sufficient flexibility to cover temporary shortfalls in income due to falls in pupil numbers, and to cover the other risks and uncertainties of operating as an independent educational establishment. To this end cash flow is monitored regularly against budget and there is tight control over debt collection and expenditure.

At 31 August 2019 the charity had net current assets of £626,921 (2018 - £302,308) with cash at bank amounting to £1,511,855 (2018 - £1,391,162). The Trustees and Governors believe that the financial position of the School at this date was acceptable and that the cash flow, which is monitored closely, was adequate but not excessive. Despite the impact of the Covid-19 pandemic, outlined below, the School remains confident in its budget for the year ending 31 August 2020 which projects a net cash inflow from operating activities, further demonstrating the School's financial strength.

#### ***Fundraising statement***

The charity aims to achieve best practice in the way in which it communicates with donors and other supporters. It takes care with both the tone of its communications and the accuracy of its data to minimise the pressures on supporters. It applies best practice to protect supporters' data and never sells data, it never swaps data and ensures that communication preferences can be changed at any time. The charity manages its own fundraising activities and does not employ the services of professional fundraisers. The charity undertakes to react to and investigate any complaints regarding its fundraising activities and to learn from them and improve its service. During the year, the charity received no complaints about its fundraising activities.

#### **Covid 19**

WCCS closed its school building on 18 March 2020, 2 days before the government instruction to close all schools. WCCS Remote was launched on 21 April, after the Easter break, and offers a full timetable of live lessons for all year groups, remote music lessons, SEN support and chorister music appreciation via google classrooms. This has been widely supported by parents and pupils.

For the Trinity term 2020, the financial impact of the school closure is limited. Costs savings are being made in running costs, a temporary rent holiday, welfare provisions, boarding costs, clubs and games provisions and in furloughing non-academic staff. These savings will be returned to parents by way of a fee credit at the end of term. The School has also offered means tested emergency bursary funding to a small number of parents facing financial difficulty. Pupil numbers remain strong and the intake for 2020/21 has not been impacted by the current situation.

Longer term the School has a contingency plan in place to cover the possibility that lockdown continues or returns in the 2020/21 academic year, that reopening is partial and with limited pupil numbers or for a full reopening.

## Report of the Directors of the Corporate Trustee Year to 31 August 2019

### Future plans

The charity's focus remains strongly on building up pupil numbers in the pre-prep school, which takes boys from Reception (age 4) to Year 3 (age 8). In September 2017 the pre-prep recruited its first 29 boys; in September 2018 the number of boys in the pre-prep doubled to 58 and in September 2019 grew again to 78. We anticipate this expanding within the next 2 years to approximately 120 pupils.

The charity's other principal focus is improving the already-outstanding exit list at 13+. In 2018 over 70% of 13+ leavers went to major academically-selective senior schools; in 2019 we estimate that figure to be over 90%. This both insulates the School from early exits at 11+ and ensures that it remains attractive to families joining at 4+, 7+ and 8+.

The charity is supportive of the strategic review of the role of sacred music in the mission of Westminster Cathedral currently being undertaken by the Diocese of Westminster, and remains committed to supporting the boarding and education of the choristers of the Cathedral choir.

## **Independent auditor's report Year to 31 August 2019**

### **Independent auditor's report to the Directors of the Westminster Roman Catholic Diocese Trust (the Trustees)**

#### **Opinion**

We have audited the accounts of the Westminster Cathedral Choir School (the 'charity') for the year ended 31 August 2019 which comprise the statement of financial activities, the balance sheet, the statement of cash flows, the principal accounting policies and notes to the accounts. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the accounts:

- ◆ give a true and fair view of the state of the charity's affairs as at 31 August 2019 and of its income and expenditure for the year then ended;
- ◆ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- ◆ have been prepared in accordance with the requirements of the Charities Act 2011.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of matter – Effects of Covid-19**

We draw attention to the accounting policy in respect to going concern which describes the impact on the charity's operations and finances as a result of Covid-19. Our opinion is not modified in respect of this matter.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- ◆ the Trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or

## Independent auditor's report Year to 31 August 2019

### Conclusions relating to going concern (continued)

- ◆ the Trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

### Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report and Accounts, other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- ◆ the information given in the Trustees' report is inconsistent in any material respect with the accounts; or
- ◆ sufficient accounting records have not been kept; or
- ◆ the accounts are not in agreement with the accounting records and returns; or
- ◆ we have not received all the information and explanations we require for our audit.

### Responsibilities of Trustees

As explained more fully in the statement of the responsibilities of the Trustees, the Trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## **Independent auditor's report** Year to 31 August 2019

### **Auditor's responsibilities for the audit of the accounts**

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the charity's Trustees, as a body, in accordance with section 144 of the Charities Act 2011 and with regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## Principal accounting policies 31 August 2019

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

### **Basis of preparation**

These accounts have been prepared for the year to 31 August 2019 with comparative information given in respect to the year to 31 August 2018.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or the notes to these accounts.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

### **Critical accounting estimates and areas of judgement**

Preparation of the accounts requires the Trustees, in consultation with the Governors and Senior Management Team, to make significant judgements and estimates.

The items in the accounts where these judgements and estimates have been made include:

- ◆ Estimating the useful economic life of tangible fixed assets for the purposes of determining an annual depreciation charge;
- ◆ Assessing the level of any necessary bad debt provision; and
- ◆ Assessing the appropriateness of the going concern assumption (see below).

### **Assessment of going concern**

The Trustees, in consultation with the Governors, have assessed whether the use of the going concern assumption is appropriate in preparing these accounts, including consideration of the impact of Covid-19 on the charity's operations and finances. They have made this assessment in respect to a period of at least one year from the date of approval of these accounts.

## Principal accounting policies 31 August 2019

### **Assessment of going concern** (continued)

For the Trinity term 2020, the financial impact of the school closure is limited. Costs savings are being made in running costs, a temporary rent holiday, welfare provisions, boarding costs, clubs and games provisions and in furloughing non-academic staff. Pupil numbers remain strong and the intake for 2020/21 has not been impacted by the current situation. Longer term the School has a contingency plan in place to cover the possibility that lockdown continues or returns in the 2020/21 academic year, that reopening is partial and with limited pupil numbers or for a full reopening.

The Trustees and Governors of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern although maintaining pupil numbers remains essential to financial security (see principal risks set out in the Report of the Directors of the Corporate Trustee). The Trustees and Governors are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

### **Income**

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Donations and grants are recognised when the charity has confirmation of both the amount and settlement date. In the event of donations or grants pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that a donation or grant is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Fees for the provision of education comprise tuition and related fees paid in accordance with agreements between the School and individual pupils' parents. Such income is stated after deducting bursaries and is recognised when the School is entitled to receipt under the relevant contractual agreements. This is usually at the point at which the School has commenced the provision of education in respect to the relevant student at the start of each academic term.

### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. Expenditure comprises direct costs and support costs and is stated inclusive of irrecoverable VAT.

## **Principal accounting policies 31 August 2019**

### **Fund structure**

The general fund comprises the net book value of tangible fixed assets and free reserves i.e. those monies which may be used towards meeting the charitable objectives of the charity and which may be applied at the discretion of the Trustees.

The restricted funds comprise monies raised for, or their use restricted to, a specified purpose or amounts subject to donor imposed conditions as to use.

### **Leased assets**

Operating leases are defined as those leases where substantially all of the benefits and risks of ownership remain with the lessor. The rental applicable for the period from the commencement of such a lease until the end of the lease is charged to the statement of financial activities on a straight line basis spread over the entirety of the lease term, including over any rent free period or period of reduced rent.

### **Pension costs**

Contributions in respect to defined contribution schemes are charged to the statement of financial activities in the year in which they become payable to the schemes.

The charity contributes to a defined benefit pension scheme. Under the definitions set out in FRS 102, the scheme is a multi-employer pension scheme. The School is unable to identify its share of the underlying assets and liabilities of the scheme and accordingly, the School has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme.

**14 Transactions with connected charity**

A licence agreement exists between the School and Westminster Roman Catholic Diocesan Trust in relation to the School's share of the heating and hot water costs.

During the year to 31 August 2019, rent and service charges of £658,440 (2018 - £625,293) were payable to Westminster Roman Catholic Diocesan Trust. This includes a rent payment for the use of 47 Francis Street, London, SW1P by Westminster Cathedral Choir School as a Pre-Prep School. The property is owned by the Westminster Roman Catholic Diocesan Trust and is rented to the charity.

As at 31 August 2019, an amount of £89,679 (2018 - £104,863) was due to Westminster Roman Catholic Diocesan Trust (note 9).

**15 Commitments under operating leases**

At 31 August 2019, the total of the charity's future minimum lease payments under non-cancellable operating leases was as follows:

	2019 £	2018 £
Land and buildings		
Amount due within one year	638,000	638,000
Amounts due between two and five years	2,452,000	2,472,000

	<b>13,502,000</b>	<b>13,645,000</b>

The above lease is for a 30 year period with an initial three year period of reduced rent.

In December 2018, the charity agreed to revised lease terms which result in an additional £500,000 falling due over the remaining period of the lease. This is reflected in the 2019 figures above.

## 16 Pension commitments

The charity's teaching staff belong to the Teachers' Pension Scheme (TPS). The total pension cost for the TPS for the period was £157,036 (2018 - £152,921). For non-teaching staff contributions are made to defined contribution pension schemes. The total pension costs for the year payable to these schemes was £33,286 (2018 - £15,537).

### *Teachers' Pension Scheme (TPS)*

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. These regulations apply to teachers in schools, colleges and other educational establishments. Membership is automatic for teachers and lecturers at eligible institutions. Teachers and lecturers are able to opt out of the TPS.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Act. Retirement and other pension benefits are paid by public funds provided by Parliament.

Under the definitions set out in FRS 102 (28.11), the TPS is a multi-employer pension plan. The School is unable to identify its share of the underlying assets and liabilities of the plan.

Accordingly, the School has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined-contribution plan. The School has set out below the information available on the plan and the implications for the School in terms of the anticipated contribution rates.

The valuation of the TPS is carried out in line with regulations made under the Public Service Pension Act 2013. Valuations credit the teachers' pension account with a real rate of return assuming funds are invested in notional investments that produce that real rate of return.

The latest actuarial review of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education (DfE) in April 2019. The valuation reported total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218 billion, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196 billion, giving a notional past service deficit of £22 billion.

As a result of the valuation, new employer contribution rates were set at 23.68% of pensionable pay from September 2019 onwards (compared to 16.48% during 2018/19).

A full copy of the valuation report and supporting documentation can be found on the Teachers' Pension Scheme website.

The employer's pension costs paid to TPS in the period amounted to £157,036.
